School Improvements 2016/2017

Following robust self evaluation and the continued drive to raise standards across the school, the headteacher, staff, and governors, have identified the following areas of development and these form the basis of Eastry's school action plan.

Maths: to ensure that pupils are able to explain their understanding of number using speaking and listening skills and formal and informal methods of recording.

Literacy : to ensure that pupils are able to use age appropriate spelling, punctuation and grammar across all their writing .

RE: to further develop children's spiritual thinking.

Assessment: Embed new assessment criteria and tracking sheets.

Governors will collect evidence through the bi termly governing body monitoring visits carried out by 2 governors, through sub committee meetings (resources, curriculum and data monitoring), informal visits to the school (through our class and conversations with the Head Teacher and staff.
